

## Locheer Healthcare Centre

Locheer Healthcare Centre (LHC) was opened in 2003 in Cheung Sha Wan, West Kowloon of Hong Kong. This was a first multi- service healthcare building in this region. She provided an innovative medical healthcare services arrangement in Hong Kong. Services inside the center included traditional medical, paramedical, laboratory, dentist, Chinese medical, massage therapy, physio therapy, chiro therapy and alternative medical. LHC was the first medical provider providing 24 hour medical services to the general public in West Kowloon region.
