

RoèFurner

RoèFurner (RF) was established since 2009 in Hangzhou, China. By Taking over the brand of RF from Italy, Locheer brought the new brand of RF to Mainland and started the Original Design, OEM and ODM fashion business in Guangdong Region. RF distributed her own design fashion through the e- channel of taobao (淘寶), Tmall(天貓), dangdang(噹噹網), Amazon (亞馬遜)and tianpin(天品網). RF had also running her own outlets in Shenzhen and Guangzhou. RF has also undergone the Virtual Reality Technology (VRT) project in fashion business,
